

Friday 12th March 2021

Dear Parent/Carer,

Year 10 Raising Attainment (RA) Sessions – commencing Monday 15th March 2021

I would like to acknowledge how well Year 10 has settled back after the lockdown period and partial closure of the academy. I know that they have worked extremely hard so far during this academic year and have already made excellent progress in each of their GCSE/vocational courses. However, we also recognise that students' learning has inevitably been disrupted since Christmas and some students may have gaps in their knowledge.

For this reason, we will start to introduce aspects of our Raising Attainment (RA) programme for Year 10, which is significantly earlier than what we would normally do for a year group. Each year we provide annual raising attainment sessions both within and outside of the academy day for Year 11 students. These are targeted to ensure that our students have the best chance of academic success in their public GCSE examinations and vocational courses. We will begin our raising attainment sessions from next week for Year 10 – Monday 15th March.

After school raising attainment sessions will run most evenings between 3:10pm - 4:10pm. Below is a list of the sessions that are running each day. All students are welcome to attend any of the sessions. These sessions have been hugely popular in the past, with many students stating that they had been a key factor of their success in their mock and final public examinations. In June, Year 10 will have end of year mock examinations, across all of their subjects.

After school Raising Attainment (RA) sessions:

Week 1		
Day	Subject	Room
Monday		
Tuesday		
Wednesday	English	G19
Thursday	French	G126
	Spanish	G11

Week 2		
Day	Subject	Room
Monday	Science	G91
Tuesday	Geography	G118
Wednesday	History	G118
	Art	F69
	Drama	G78
Thursday	Photography	F69
	Music	G73
	PE/Sport	G117
Friday	Maths	G118

We are fully aware that your child is studying for an important milestone in their life under unusual circumstances. With this in mind, their well-being is central and we want to support your child to develop a healthy balance between the academy and other aspects of their life. We encourage them to try their best in all that they do and seek help if, or when, they need it.

Finally, I would like to thank you for your continued support of your child at Magna Academy and we look forward to seeing them flourish throughout this academic year.

Yours sincerely,

Mr A Potter

Vice Principal
