Dear Parent/Carer

**Re: Half-term GCSE History Revision - Thursday 28th October**

In order to offer your child the opportunity for extra History revision support in a small group setting, I will be running two Raising Achievement (RA) sessions at Magna Academy over half-term, on Thursday 28th October. During the sessions students will revise relevant content on the upcoming mock examination and techniques to tackle a variety of exam questions. I would strongly encourage all history students to attend, as the sessions have been designed to include useful strategies to suit a range of student needs. Rather than running one large session, I have decided to run two smaller groups, which will ensure that students are able to benefit from bespoke teacher support.

To allow us to make sufficient preparations for the sessions, please indicate your interest and first choice of session time in this [Google Form](#). Please complete this form by midday on Thursday 21st October. A text will then be sent home to confirm your child's allocated time.

Students should aim to arrive 5-10 minutes before their allocated session is due to start and meet at the academy main reception. Students will need a pencil case and their History book (unless it is stored on the academy site). Students may attend in their own clothes but must ensure they are dressed suitably for being in the academy environment. A register will be taken and students' engagement and grit will be rewarded with prom points and snacks.

Yours sincerely

Miss P Stannard  
Head of History
