an Aspirations Academy

# Welcome to Magna

Magna Academy is situated to the north of Poole, close to key routes both west and north of the Poole/Bournemouth conurbation. The campus offers access to great facilities for staging:

- Conferences
- Seminars
- Meetings
- Events
- Clubs

Here at Magna we have superb, modern facilities which have been designed to create a smart and comfortable environment in which to work.

As a community academy, we want to open up the facilities to the public and to offer everyone the opportunity to book and use the spaces.

Our rooms are light and airy and can be adapted to meet a variety of different needs. The individual spaces are very flexible and all of them can be configured to meet your specific requirements; whether that's classroom, boardroom, seminar or groupwork layouts, or even something we haven't imagined here.

Just let us know your requirements and our team will work with you to supply everything you need.

# Performance Hall

Our Performance Hall is a large multifunctional room and is the place where, as an academy we regularly come together as a community.

The Hall is often used for performing arts and hosts all our music, dance and theatrical events:

- It can seat up to 370 people.
- It is highly suitable for conferences, exhibitions or presentation events.
- It has a technology portfolio that incorporates lighting, audio-visual and staging assets.

The seating is fully retractable, opening the space up for a number of different additional functions, such as:

- exercise classes
- dance classes
- very large meetings
