## RE: Parents Evening Consultation

Dear Parent/Carer

Thank you so much for your recent attendance to our subject parents evenings. We are delighted that attendance to these virtual events was high and very well received. Our staff team are thankful that they had the opportunity to share information relating to your child's attitude to learning, pastoral wellbeing, academic attainment and to agree upon targets for self improvement.

Having adapted to the virtual world this year, our staff have recently completed a consultation period in which they offered constructive feedback and solutions of how they believe parents evenings could be structured for the next academic year. We are writing to you today to ask for your feedback and suggestions to ensure we develop the most meaningful and positive experience for everyone involved.

Please could we invite you to complete the following online form offering your feedback. The closing date for submissions is on Thursday 24th June. Please [click here](#).

Thank you again in advance for your feedback and ongoing support.

Yours sincerely

Mr C Buller  
Assistant Principal
