RE: Year 7 Personal Development Curriculum

Dear Parent/Carer

I am writing to inform you of what your son/daughter will be covering in personal development during Unit 6. Starting this week, Year 7 futures based education will be looking at:

- Different routes into a range of careers
- Current Labour Market Information
- Understanding employability skills
- Considering next steps and decision points

As you know, within our detailed planning and resourcing, we take into consideration the personalised needs and experiences of all students to ensure they fully benefit from our personal development curriculum programme. We are very excited about the intended impact we believe this curriculum will have on the lives of our students and the community in which they belong.

I would like to take this opportunity to thank you in advance for your support.

Yours sincerely

Mrs K Stafford
Assistant Principal
