Advice to parents

Dear Parents/Carers

We have been informed that there have been confirmed cases of Covid-19 by members of the academy community.

We know that you may find this concerning but we are continuing to monitor the situation and following government guidance. This letter is to inform you of the current situation and all families of students identified as close contacts have been informed in a separate communication and the students sent home to self-isolate.

Unless you have been specifically notified that your child is a close contact, you do not need to take any further action at this stage.

The academy remains open and providing your child remains well, they can continue to attend the academy as normal. We will keep you informed should anything change.

We would also encourage students to continue with LFD testing at home and report results as outlined in previous communications.

Symptoms of Covid-19

The most common symptoms of coronavirus (Covid-19) are recent onset of:

- new continuous cough and/or
- high temperature and/or
- a loss of, or change in, normal sense of taste or smell (anosmia)

For most people, coronavirus (Covid-19) will be a mild illness.

How to stop Covid-19 spreading

We would like to take this opportunity to remind you of the importance of following the key public health measures to prevent the transmission of Covid-19 in our academy and the wider community.

- Keep your distance from anyone who is not in your household or support bubble
- Wash your hands frequently for 20 seconds or more

- Wear a face covering in enclosed public spaces
- Self-isolate with your household and arrange a PCR test if you have symptoms

Further information

Further information is available at <https://www.nhs.uk/conditions/coronavirus-covid-19/>

Yours sincerely

Ms N Ullah
Principal
