# Angelina Wilson

Inclusion Manager

## Background and Experience

I am originally from South London and relocated to Dorset 13 years ago with my family. With this move I decided to change my career to work in education. I retrained as a Teaching Assistant and started working in a primary school, my role developed, and I became the lead Pastoral Care Worker and Family Support Worker. Whilst working with some of our most vulnerable students it is here that

For children to successfully access and succeed in their learning they need to feel safe, secure and emotionally connected. I am committed to helping children achieve this by teaching them the skills to look after their own mental wellbeing and transferring these into everyday life.

I am really excited to be working at Magna Academy and being able to support students through this important part of their educational journey.
