15th September 2021

Dear Parent/Carer,

At Magna Academy we actively promote the personal development of all students. We are now able to provide a wide, rich set of experiences and opportunities for students to develop their talents and interests. These opportunities will run before, during and after the academy day.

Below are the activities on offer during the autumn term, commencing Monday 20th September. You will notice that some clubs only run on week one of our timetable. This is due to staff commitments with professional development meetings. Week one dates are as follows:

Week beginning - 20th September, 4th October, 18th October, 8th November, 22nd November and 6th December 2021.

If your child is interested in attending any of these clubs, please complete the Google Form found [here](#). The form allows you to select all opportunities in one place before submitting. By completing the form, your child will have a place at each club selected, unless notified otherwise. You will be contacted if there are any changes.

In addition to these clubs, we offer all our students the use of the Astroturf during lunchtime for a variety of different activities. Also, Performing Arts will be holding auditions and rehearsals for our Magna musical, Matilda Junior. These sessions will be on a Wednesday and Thursday and you will be notified if your child auditions successfully.

We are keen to further develop our enrichment offer for the spring term, this will be done through our student voice. I would also like to develop parental links, if you feel you have something to offer our students and would like to become involved, please email me kpoore@magna-aspirations.org and we can discuss this further.

We look forward to offering these activities to our students, enabling them to develop and experience new things outside of the classroom.

Yours sincerely,

Miss K Poore
Assistant Principal
