Dear Parent/ Carer

Re: Parents' Forum – Thursday 30th September

I am writing to invite you to be part of the Magna Academy Parents' Forum.

At Magna Academy we endeavour to pursue the very best educational outcomes for all our students with student wellbeing at the heart of all we do. Therefore, we work closely with parents and carers as we understand the essential part you play to ensure the success and wellbeing of our students. All staff at Magna Academy know that family structures really matter and we look to build relationships based on trust, clear communication and integrity.

We would like our Parents' Forum to be an opportunity for a two way discussion about all aspects of our students' education and wellbeing, involving parents and carers in decision making. This is a representative body of parents and carers, putting forward views to the Senior Leadership Team in a constructive manner to help improve the provision for all our students. The Magna Academy Parents' Forum will be representative of all our parents and therefore we would like a group of parents from diverse backgrounds. Being part of the forum will normally involve attending meetings in the academy and following the agreed agenda, once every half term. A newsletter about topics discussed during the meeting will be produced and available to all parents of children at the academy and to all staff.

If you would like to be part of the Magna Parents' Forum, we will be holding our first meeting of this academic year on Thursday 30th September in the academy, starting at 5pm. Our meeting will last 45 minutes and will cover a presentation and discussion around homework, led by Sara Mashike, Vice Principal and myself.

Our subject lead for drama, Miss Bennett, would also like your opinion about the work she would like to do with our Year 9 cohort.

If you would like to be part of the Parents' Forum, please can I ask you to complete a brief Google Form found [here](#).

Yours sincerely

Mrs K Stafford
Assistant Principal
