Dear Parent/ Carer

**Re: Prince's Trust Award run by the Premier League Inspires**

I am writing to invite your child to access a programme of support run by Premier League Inspires (PLI). The PLI is an educational organisation, newly introduced in 2019, developed by the Premier League and professional football clubs, to support schools and academies deliver parts of the curriculum.

Starting on Monday 27<sup>th</sup> September, Gareth Williams from PLI, will be coming in to the academy to run a course, put together by the Princes' Trust to support young people in the following;

- Career Planning
- Presentation skills
- Preparation for work
- Preparation for interviews, CV writing and completing application forms

We believe this will be very beneficial to our Year 11 students, who need to make important choices about their Post 16 pathways. This year they will need to go through the application and transition process to Post 16 courses and will possibly be joining new educational providers after Year 11.

The course will take place every Monday until the Christmas break, during DEAR and the first 30 minutes of lesson 5 on their timetable. Students will take their lunch break at the normal time. This does mean that students will miss part of their Monday afternoon lessons, therefore they will be expected to work with their teacher to catch up on any work they have missed. We would like to offer your child a place on this course, which is completely free of charge and will provide them with a level 1 qualification in employability, which they can add to their CV.

Please do get in touch if you have any questions about this programme or if you do not want your child to take part, otherwise your child will start this programme on 27th September.

Yours sincerely

Mrs K Stafford  
Assistant Principal
