Dear Parent/Carer

**Year 11 Raising Achievement Presentation – Thursday 30th September 6-7pm**

This is a very important academic year for all of our Year 11 students. They have made an excellent start to the academic year and have engaged fully in their learning. We want to ensure that students maximise every opportunity on offer to them. Our aim is to help students gain an excellent set of qualifications to achieve their aspirational goals post Year 11.
