Dear Parent/Carer,

Re: GCSE Art & Photography Raising Achievement Sessions

To support students with improving their Art or Photography coursework, which is worth 60% of the final grade, I will be running Raising Achievement sessions for GCSE Art and Photography every Week 1 Monday 3:10-4:10pm in classrooms F69 and F66.

I have identified students that would benefit from these additional sessions and I feel your child has the potential to reach their target grade. The purpose of these sessions is to support students with their coursework which is due in January 2022. They will be able to develop and refine their skills using the specialist materials and equipment in the Visual Arts department with further one-to-one tuition. They will have the opportunity to complete homework and unfinished work from the lesson and also have a chance to discuss any questions they have about their work or grade.

Please can you confirm your child's attendance by emailing vcameron-laurie@magna-aspirations.org.

Please do not hesitate to contact me should you wish to discuss this further and I hope we can work together to ensure your child obtains a grade in Art or Photography that reflects their talent and ability.

Yours sincerely,

Mrs Cameron-Laurie
Team Leader of Visual Arts
