Dear Parent/Carer

RE: Personal Development Curriculum - Years 7-11

I am writing to let you know that in personal development lessons during Unit 2, students will focus on different forms of exploitation. They will be supported in understanding what exploitation is and how to recognise the signs of being groomed online and when in the community.

We appreciate that some of the objectives covered in this unit may be sensitive for some of our students, due to their previous experiences. If you wish to highlight to us any areas of concern, please do so in advance by contacting your child's [Head of Year](#). We ensure that all of these topics are delivered in a way that is sensitive and focuses on empowering the individual to make decisions that keep them safe and are within the law. We believe that the Personal Development curriculum is an important part of their education that supports our students through their teenage years and during their transition into the adult world.

I would like to take this opportunity to thank you in advance for your support.

Yours sincerely

Mrs K Stafford
Assistant Principal
