Dear Parent/Carer

RE: Personal Development Curriculum - Sixth Form

For students to thrive in an increasingly complex and diverse world, they require the confidence, knowledge and skills to make informed decisions about their lives independently. An effective personal development curriculum will enable our students to develop the attributes they need to stay healthy, be safe, prepare them for life and work as productive citizens in modern day Britain.

I am writing to let you know that during Unit 2, students will focus on exploitation. Years 12 and 13 will cover the following topics:

- County Lines - criminal gangs and exploitation
- Sexual Exploitation
- Radicalisation and extremism, especially online
- Survey of personal development for students feedback

We appreciate that some of the objectives covered in this unit may be sensitive for some of our students, due to their previous experiences. If you wish to highlight to us any areas of concern, please do so in advance by contacting your child's tutor. We ensure that all of these topics are delivered in a way that is sensitive and focuses on empowering the individual to make decisions that keep them safe and are within the law. We believe that the Personal Development curriculum is an important part of their education that supports our students through the teenage years and during their transition into the adult world. During this unit we will also be seeking the views of the students so we can keep working on this provision to ensure it is relevant and helpful to our students.

I would like to take this opportunity to thank you in advance for your support.

Yours sincerely

Mrs K Stafford
Assistant Principal
