Dear Parent/Carer

**Re: Y12 Progress Evening Postponement**

I am writing to let you know that we have made the decision to postpone the Year 12 Progress Evening due to take place on Thursday 7th October.

As you may already be aware, Mrs Rodgers is currently unwell and will therefore be unable to attend this evening. We believe it is important that as Assistant Principal responsible for Sixth Form she should be present to meet with parents and carers, and support tutors to provide an overview of your child's progress thus far. Mrs Rodgers has also expressed that she would like to lead this evening upon her return to the academy.

This week you will receive a Progress Report (APO) for your child which will include scores for their attitude to learning, baseline assessment and summer induction tasks. This report will form the basis for discussion at the rescheduled Progress Evening, which will now take place on Thursday 11th November. In addition, there will be information regarding the Sixth Form programme of study, advice for supporting your child's study at home and the Futures Programme (Careers advice and guidance).

I would like to take this opportunity to say how pleased we are with the start that Year 12 students have made. We were delighted to meet with many Year 12 parents/carers at the Expectations Evening and grateful for the positive feedback we received.

In the meanwhile, if your child has any queries or concerns they should address these directly with their tutor or subject teacher in the first instance. If you have any other queries then please do not hesitate to contact myself via the [academy website](#).

Yours sincerely

Mrs S Mashike  
Vice Principal
