

22nd September 2022

Dear parent/guardian,

RE: Sixth Form visit to the Stand Up Conference

I am pleased to be able to invite your child to this year's Stand Up Conference, organised by the local education company Beyond This on Thursday 29th September.

The theme for this year's conference is exploring and understanding sexism and gender bias in modern day Britain covering the topics listed below.

- Unboxing Gender Bias & Disparity
- Exploring Power & Consent
- Challenging Inequality, Harassment and Abuse

This conference is suitable for all sixth form students as we encourage political awareness and understanding from all of our students as an important part of transitioning from the teenage to the adult world. We wish to challenge our students to think critically about contemporary and controversial issues for which this conference will be an excellent opportunity to do so.

Students can choose whether they wish to experience the excitement of attending this conference in person at Lytchett Minster School or whether they wish to remain in the academy and watch on live stream. Students wishing to attend in person will be transported to and from the venue within the academy day so students arrive and leave the academy at the normal times. In person places at Lytchett Minster School will be given on a first come first served basis.

If your child is interested in being involved in this conference either in person or online, please complete this brief Google Form. Please complete this [Google Form](#) by Monday 26th September.

Please do not hesitate to contact me if you have any questions about the above.

Yours sincerely,

Mrs K Stafford

Assistant Principal
