Dear Parent/Carer,

Re: The Arbor Parent Portal/App – an easy way to access important information about your child's education.

We are pleased to inform you that we will shortly be launching the new Arbor Parent Portal/App. We are inviting all parents/carers to sign up for the application via the email address that you supplied to us on the Data Collection Sheet. The information that you receive through the app will help you to stay up-to-date with your child's daily academy life and to support your child's progress. You can access the system from a smartphone, tablet or PC - anytime, anywhere.

The application provides important information such as a student's timetable, their attendance, behaviour and achievement records. To find out more, please read [this quick introduction from Arbor](#). We will be using most of Arbor's features but, at least for now, the payment feature will be disabled and we will continue to use ParentPay.

To activate the Arbor Parent Portal/App, please follow the instructions provided in the email invitation you will receive from Arbor. Please contact the academy if you do not receive an email by 20th September. Once you receive the email, please click on the link provided to register. Should you require any further information, please do not hesitate to contact the academy office or email office@magna-aspirations.org.

Yours sincerely,

Andrew Clark,

Vice Principal
