22nd September 2023

Dear Parent/Carer,

**RE: Year 11 Raising Achievement (RA) Evening, Thursday 5th October, 6-8pm**

This is a very important academic year for all of our Year 11 students. They have made an excellent start to the year and have engaged fully in their learning. We want to ensure that students maximise every opportunity on offer to them. Our aim is to help students gain an excellent set of qualifications to achieve their aspirational goals post Year 11.

On Thursday 5th October, we are holding our Raising Achievement (RA) Evening for families of Year 11 students. The evening will take place between 6-8pm. The purpose of the evening is to provide you and your child with important information and guidance regarding our raising achievement programme, effective revision strategy, mock exams and the final summer exams season. This will fully support them to make the necessary progress throughout the year.

At the start of the evening, there will be a presentation in the main hall starting at 6pm. During this presentation, the following aspects will be covered:

- Raising Achievement (RA) programme
- Mock examinations, assessment and reporting schedule
- Study Stay provision and summer exam countdown

After the presentation, students and parents/carers will be able to attend a variety of workshops run by experienced members of staff. Each workshop will last for 10 minutes. Students and parents/carers can attend a maximum of six workshops. The workshops include:

- Personalised Learning Checklists (PLCs) & Revision Timetables
- Exam Techniques
- Revision Techniques
- Mindset and Managing Exam Stress
- Life Beyond School - Future Pathways
- Passport to Prom
- Plus, a variety of subject specific exam success workshops:
  - English Language & Literature
  - Science
  - Mathematics
  - History
  - Geography

**ASPIRATIONS**

**National Teaching School**  
designated by

National College for  
Teaching & Leadership

**National Support School**  
designated by

National College for  
Teaching & Leadership

- BTEC Assessment Overview
- Product Design, Engineering and Hospitality & Catering
- GCSE Physical Education
- BTEC Sport
- Drama
- Music

This is a really key event and we hope that both yourself and your child will be able to attend. Please join us from 5.45pm to sign in on arrival at student reception. Attending this event will also result in one of the nine Passport to Prom targets being achieved. We very much look forward to welcoming you to the evening.

In addition, our subject experts have sourced official exam board revision guides. These come highly recommended and will offer a significant boost for students when revising independently. For those students who are eligible for pupil premium support, the academy will purchase a bundle of subject revision guides on their behalf, so there is no need to place an order separately. For those that would like to purchase revision guides independently and have them delivered directly from the providers, you will find on the following page a table containing the recommended revision guides for each subject, their exam board, cost, website link and ISBN number.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'C Buller', with a large loop at the start and a wavy line at the end.

Mr C Buller  
Vice Principal
