Dear Parent / Carer,

**Re: Careers and Apprenticeship show**

As part of our Careers Education Advice and Guidance programme, we endeavour to offer a wide range of opportunities and experiences that allow students to research pathways that are open to them after their GCSE / Post 16 studies. We work closely with employers as well as ensuring we have close links with Higher Education providers (universities).

We are delighted to be working with BCP Council, The Southern Universities Network (SUN), The Careers and Enterprise Company (CEC) and Dorset Careers Hub to ensure our students gain a wide range of careers experiences and impartial careers advice. This year, we are able to offer a visit to The Careers and Apprenticeship Show.

This event is being held on 14 March 2024 at the Bournemouth International Centre and is open to students in Years 10 and 12.

The show aims to be a one stop destination for careers and apprenticeships. This event returns for its third year, giving young people direct access to employers and an opportunity to explore career options. The show allows employers to showcase their exciting career and apprenticeship opportunities whilst, at the same time, ensuring students gain access to impartial career advice, learn how to apply for an apprenticeship and explore wider career options in a variety of sector areas.

Details of our visit to The Careers and Apprenticeship Show:

- 📅 Leave school at 10.30am
- 📅 Students should wear school uniform to this event
- 📅 We will be at the event for 1½ hours. Students do not need to take a packed lunch with them to the venue as there will be time to eat their lunch after the event
- 📅 There will be some refreshments stands at the show and, if students wish, they may bring a small amount of money to purchase a drink or a snack
- 📅 Return to school at 1pm

Places will be allocated on a first-come, first-served basis and the trip form will close on Thursday 1st February.
