Dear Parent/Carer,

Re: Saturday and May Half Term Raising Achievement Sessions (RA) - Years 11 and 13

Our Year 11 and 13 students have been working incredibly hard this term. Each day, students are growing more confident whilst preparing for their final summer examinations. This is aiding their motivation in attending RA sessions, completing regular effective revision and working hard in every lesson. From this date forward, there are fewer than 25 academy days until the final examinations begin. Please [click here](#) to access the summer examination timetable and student handbook.

To further enhance their chances of success, we are introducing our Saturday and May Half Term RA offer. Our subject teaching staff will be planning and delivering Walking Talking Mocks (WTM) that will give students a significant boost to complement their effective revision in preparation for the final examinations.

Sign Up and Expectations

Due to the popularity of previous years, we estimate places will fill up quickly. Students will need to sign up in advance to secure their places by completing the following form for their respective year group: [Year 11](#) and [Year 13](#). The deadline for submissions is at 4.30pm on Wednesday 17th April. Once the form has been submitted, we encourage you to keep a record of the sessions that your child has signed up for as we need to ensure attendance numbers are accurate in order for a cost effective session to take place and for safeguarding procedures.

When attending these sessions, our normal high expectations and academy policies will be in place. Students will be required to bring their normal daily equipment, be suitably dressed and ensure they sign in and out at the student desk. Year 11 students will have their Passport to Prom signed every time they attend a holiday or evening RA session.

We look forward to seeing as many students as possible join us in our RA offer. As always, we will keep you fully updated regarding any future opportunities and our study stay programme that will commence in May.

Yours sincerely,

Mr C Buller
Vice Principal
