Dear Parent/Carer,

Re: KS3 Cooking Club

At Magna Academy, we are proud of the wide range of extracurricular enrichment opportunities that we offer to students.

With this in mind, I would like to take this opportunity to inform you that Cookery club will be taking place this half term for Years 7, 8 & 9. The club will run weekly on a Tuesday and will begin on 23rd April, between 3.15 and 4.15pm. There will be only 12 places available across year groups due to the capacity in the cookery room. This means there will be 4 spaces per year group. Therefore, students interested, who have not already taken part in the club, will be able to sign up by speaking to Ms Fielding at lunchtime before Friday 19th April. This will be on a first come, first served basis.

The 12 students will be notified on Friday 19th April, ready to start the following week. They will be making a range of recipes including:

- 23rd April - Shortbread biscuits
- 30th April - Cheese Straws
- 7th May - Carrot Cake Muffins
- 14th May - Sausage Rolls
- 22st May - Chocolate Bars

All ingredients will be provided for the students as part of their enrichment experience and there is no cost for participation (please advise me of any allergies or intolerance so adjustments can be made). They will however need to bring a container in to take home what they have made.

I hope that your children are able to participate and will enjoy this opportunity.

Ms Fielding
