Dear Parent/Carer,

We are delighted to let you know that your child has the opportunity to take part in musical instrumental lessons at the academy. A wide range of instruments are available, including piano, drum kit, guitar, woodwind, brass and strings; a full list of instruments offered, with details, can be found in the attached booklet. All our instrumental teachers are experienced local musicians who teach our students in a combination of individual and group lessons throughout the academy day.

If you would like to sign your child up, please complete the online form using the following link: [Instrumental Lesson sign up form](#). Payment will be via ParentPay and this will be added to your account after your child has started lessons. We are also pleased to let you know that students receiving Pupil Premium funding are eligible for a subsidy towards the cost of lessons. More information can be found in the attached booklet, or by contacting Mrs Giles via the email address below.

Learning a musical instrument offers children many benefits beyond simply enjoying music:

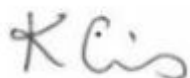

- Confidence and self-expression – performing helps children to grow in confidence and express themselves creatively.
- Concentration and perseverance – regular practice encourages discipline, focus, and resilience.
- Memory and coordination – playing music strengthens memory and fine motor skills.
- Teamwork and community – many pupils go on to join ensembles or bands, enjoying the shared experience of making music together.

Whether your child is a complete beginner or already has some experience, instrumental lessons are a wonderful way to nurture their creativity and enrich their school experience.

Please take a look through the booklet for details of the instruments on offer, lesson arrangements, and costs. Spaces are often limited, so we encourage you to complete the sign-up form promptly if you would like your child to take part.

Yours sincerely,

Kate Giles
