**ASPIRATIONS**

17th October 2025

Dear Parent/Carer and Student,

**Re: Applying for Sixth Form and Taster Day expression of interest**

Thank you to all who attended our Sixth Form Open Evening on Thursday. It was fantastic to see so many of you engaging with subject staff, asking thoughtful questions and exploring the different pathways available after Year 11. We hope the evening helped you begin to think about your next steps and the opportunities available to you in our Sixth Form.

**Applications for Magna Sixth Form are now open.** Students who are ready to take the next step can submit their application online [here](#). We recommend applying early to secure your place and to access personalised guidance on subject choices and entry requirements.

As a follow-up, we are pleased to invite all Year 11 students to take part in our Sixth Form Taster Day **on Monday 15th December**. This day will give you the chance to experience life as a Sixth Form student at Magna. You will attend sample A-Level and Level 3 vocational lessons, spend time in the Sixth Form Hub and have the opportunity to speak with current Sixth Formers about their experiences and advice. The day is designed to give you a real insight into what studying at Sixth Form is like — both academically and socially.

For those wishing to try one of the subjects offered at **Livingstone Academy (LAB)**, these sessions will take place on **Friday 12th December**. Further details about the LAB taster sessions will be shared closer to the time.

Students should come to school in smart casual clothing, reflecting the more independent and mature environment of Sixth Form. You will be treated as a Sixth Form student for the day, and we hope this gives you a genuine feel for what life at Magna Sixth Form is all about.

To help us organise the day effectively, we are asking students to complete [this form](#) to register your interest and select the subjects you would like to try. This will help us plan group sizes and rooming so your prompt response is appreciated. **Please complete by Monday 8th November.**

We encourage all students to take part in this event — even if you are still unsure about your next steps, this day will give you useful insight to support your decision-making.

If you have any questions, please do not hesitate to get in touch.

Yours sincerely

Mrs L Bishop Assistant Principal  
Director of Sixth Form
