

4th November 2025

Dear Parent/Carer,

We are delighted to inform you that Year 7 students will be visiting Bournemouth University for an exciting opportunity to experience life on a university campus and explore future career pathways.

During the visit, students will take part in a forensic science workshop, where they will gain hands-on experience in analysing evidence and learn more about the skills and qualifications needed for a career in this fascinating field. This visit will help students broaden their understanding of higher education, inspire future ambitions and support them in making informed decisions about their next steps after school.

Students will travel by coach, leaving at 10.00am and returning by 3.00pm.

They will need to bring a packed lunch for the day. However, those who are entitled to free school meals will be provided with a packed lunch by the academy kitchen before departure.

Tutor groups will attend in pairs on the following days:

7AHN and 7MCK - November 13th

7ATR and 7MSH - November 20th

7HWS and 7NGN - November 27th

As this is within academy hours, we will take your general consent given on Arbor - please ensure this is completed. If, for any reason, you wish to change your consent for this specific trip, please email me: [kstafford@magna-aspirations.org](mailto:kstafford@magna-aspirations.org).

We are very much looking forward to an engaging and inspiring visit that will give students a real insight into university life and the exciting opportunities that await them in the future.

Yours sincerely,

Katie Stafford  
Assistant Principal

Alex Tucker,  
Head of Year 7
