

20th November 2025

Dear Parent/Carer,

Re: Year 13 AP1 Report Letter and Parents Evening

Following a successful mock examination period, I am writing to inform you that your child will receive a paper copy of their Assessment Point One (AP1) on Friday 12th December. You will also be able to access this report by using your parental Arbor login.

Report Contents:

Your child's report will include the following subject related information:

Mock Exam Grade - A Level Subjects ONLY:

- The level of attainment that the student achieved in their most recent mock examination.
- If a student has missed a mock exam they will receive an 'X' despite efforts to retake at a suitable time.
- This is represented in a fine grade.
- There will be no mock grade entry for vocational subjects (BTEC).

Current Grade - All Subjects:

- The current level of attainment that a student is working at using all tangible assessed evidence of work completed up to the date of data input.
- This is a combination of the most recent mock exam result, end of unit/topic assessment results, knowledge retrieval test results and other examples of assessed work including controlled assessments and homework.
- This is represented in a fine grade.
- Current grades will be used to target Raising Achievement (RA) evening interventions

Target Grade - All Subjects:

- These are aspirational targets, derived by the Fischer Family Trust (FFT), which uses national statistical data. These targets equate to a student making exceptional progress, placing them nationally within the top twenty percentile for progress.

Explanation of fine level grading:

Fine Grade A Level	Fine Grade BTEC	Descriptor
B+	Merit+	Almost working at the grade above
B	Merit	Secure at this grade
B-	Merit-	Insecure at this grade

In addition to a student's attainment in each subject, we will use the scale of; Excellent, Good, Satisfactory and Unsatisfactory to measure a student's:

- Attitude to Learning: This looks at a student's work ethic, how well a student is conducting themselves and their approach and engagement in their learning.
- Homework completion and quality: This considers all of the work that has been submitted, the standard that is being produced, the capacity to meet deadlines, wider reading and effective revision.

Subject Parents' Evening

There will be a subject parents' evening on Tuesday 16th December, from 4-7pm. This will be a 'virtual' event. Students and parents/carers can meet with their child's subject teachers online to discuss their current performance and agree on targets for improvement. We operate an online booking system, which allows parents/carers to select their own appointment times with teachers and these will be confirmed by email. Appointments can be booked from Friday 21st November. Please visit <https://magna.schoolcloud.co.uk/> and log in using your child's details. You can also find this page on the academy website under 'useful links'. A guide to setting up appointments may be found [here](#).

Interventions

Subject RA sessions will have already commenced and attendance has been positive. These sessions are vitally important and will impact the progress your child will make. We hope you will encourage your child to attend each subject session from 3-4pm. If you would like your child to attend please use the google form attached [here](#).

Key Assessment Dates for Year 13:

Date	Description
12th December	AP1 Reports distributed
16th December	Parents Evening (4.00-7.00pm) - Virtual
26th January - 6th February	Effective Revision in Lessons & Personalised Learning Checklists

	(PLCs)
