

29th January 2026

Dear Parents and Carers,

I hope this letter finds you and your families well. I am writing to share just how pleased we are with the excellent start our students have made to the Spring term at Magna Academy.

It has been wonderful to see such a strong return to learning after the break. We are delighted to report a notable increase in attendance at our raising achievement sessions for Years 11 and 13. These sessions are having a positive impact, and I would like to thank you for your continued support in ensuring students attend and arrive ready to learn.

As we move further into the term, our focus for Year 11 and Year 13 students is firmly on preparation for their upcoming mock examinations. These mocks are a vital opportunity for students to experience exam conditions, identify areas for improvement, and build confidence ahead of the summer exams. We encourage all students to take these assessments seriously and to continue attending revision and intervention sessions where offered.

Alongside academic success, it has been inspiring to see the commitment shown by students involved in rehearsals for our upcoming Mary Poppins Jr production. The dedication, teamwork and enthusiasm displayed by both students and staff has been outstanding, and we are very much looking forward to welcoming families to what promises to be a fantastic show later this term on Wednesday 11th and Thursday 12th February. Tickets can be purchased here: [Magna Academy Presents, Mary Poppins Jr!](#)

We will also be recognising Safer Internet Day 2026 in school. This is an important opportunity to reinforce key messages around staying safe online, responsible digital behaviour and understanding the challenges young people can face in the online world. We strongly encourage parents and carers to engage in conversations at home about online safety. [Further information and resources can be found here.](#)

Thank you, as always, for your continued support and partnership. The strong start to this term is a reflection of our shared commitment to ensuring every student at Magna Academy thrives both academically and personally.

Yours sincerely,

Mr P Midworth  
Principal
