

12th January 2025

Dear Parent/Carer,

**Re: Student Portrait Photography - Years 7 and 9**

I am writing to you today with some positive news regarding feedback we have received from many of you regarding school photography.

We understand that many parents and carers value having professional individual portraits of their children and, in direct response to this feedback, we are delighted to announce that we have partnered with **Fraser Portraits** to offer high-quality individual photographs for you to purchase.

As this is in response to families wanting photos of their child in their first year of secondary school, we will be providing this for Year 7 students. We also feel it is valuable to provide the opportunity to take another photo as the students grow and reach Year 9. Should this initial service prove successful and popular, it is our intention to repeat the individual portrait photography session annually. Therefore, any families of Year 8 students should get the opportunity next year.

The portrait session will take place on 22nd January, after which you will receive details of how to purchase your child's photo on the Fraser Portraits website. There is no obligation to purchase the photographs; however, we hope that this option will be welcomed by our families.

If you have a reason that you do not want your child photographed, please email [sgudgeon@magna-aspirations.org](mailto:sgudgeon@magna-aspirations.org) . The photos will not be accessible by Fraser Portraits to anyone other than Magna Academy and yourself (via a unique code on their ordering system). They will not be published anywhere but a thumbnail will be added to Arbor (as we already do in-house) to help identify students.

Thank you for your continued support and feedback, which helps us enhance the experience for our students and families at Magna Academy.

Yours sincerely,

Mr P Midworth  
Principal
