Dear Parent/Carer

RE: Year 8 AP1 Report

Your child will be taking home a printed copy of their assessment point one on Thursday 12th February. You can also access this report by using your parental Arbor login.

Assessment Point data has generated an 'Attainment' grade for each student within each subject in relation to the subject's Age Related Expectations (ARE). You can find each subject's ARE by clicking on the [subject page](#) of our website. Below is a table summarising how these ARE's are related to the student's chronological age when converted into their reports. Please be mindful that a child's attainment may change over time due to a number of factors.

Attainment Grade	Descriptor	GCSE Equivalent
EXC – Exceptional	Significantly working above ARE	Grades 8–9
ADV – Advanced	Working well above ARE	Grade 7
STR – Strong	Working above ARE	Grades 5–6
SEC – Secure	Working at ARE	Grade 4
DEV – Developing	Working below ARE	Grades 1–3

In addition to your child's attainment, the following information is included in the report from your child's subject teachers:

- Attitude to learning: This looks at a student's work ethic, how well a student is conducting themselves and their approach and engagement in their learning

The following pastoral data will also be included in each report:

- Attendance: Percentage of student's authorised attendance.
- Punctuality: Number of late marks recorded.
- House Achievement Points (HAP's): The number of positive points awarded by staff.
- Behaviour Points: The number of negative points awarded by staff.
