ASPIRATIONS

8th September 2026

Dear Parents/Carers,

As we welcome our students back for the new school year, we are delighted to share our updated enrichment timetable. These activities are designed to complement the academic curriculum, boost daily engagement and support personal growth.

Participation in enrichment plays a vital role in developing essential life skills. Beyond the classroom, students learn to collaborate effectively, solve problems creatively, communicate with clarity and explore new passions. These experiences build character and prepare students for success both within school and in their future endeavors.

We strongly encourage every student to get involved in **at least one activity** this term. Students will be awarded 1x Achievement Point for every enrichment activity attended.

Enrichment Schedule & Key Information

- **Start Date:** All activities begin the week commencing **Monday 14th September**.
- **Timetable:** Please review the schedule of options below with your child to help them choose their activities for the term.
