ASPIRATIONS

28th September 2026

Dear Parents and Carers,

Re: Magna 6 Open Evening - Where Ambition Meets Opportunity.

Thursday 15th October 6.00pm - 7.30pm

As your child prepares for the crucial transition into post-16 education, choosing the right environment for their A-Level or vocational studies is one of the most important decisions your family will make. We are writing to invite you and your child to the Magna 6th Form Open Evening to discover how we can support their next steps and future success.

Magna 6 is proud to be an Outstanding institution ranked in the top 25% of sixth forms nationally. Our commitment to academic excellence and comprehensive student support is reflected in our outstanding outcomes:

- **Academic excellence:** Our students achieve an average A-Level grade of B-, placing them among the top performers in the region.
- **Vocational distinctio**n: Students in our vocational pathways average a Distinction, equipping them with practical and high-level qualifications.
- **Small class sizes and bespoke care:** We have smaller class sizes to ensure every student receives individual, tailored attention and learning tailored directly to their needs.
- **Enriched learning**: Beyond the standard curriculum, we enrich our students' experience with an engaging programme of guest speakers and a unique employability programme designed to prepare them for the modern workplace.
- **Ambitious careers pathways:** Whether your child aims for top university progression or high-demand degree apprenticeships, our ambitious careers programme will guide them every step of the way.
- **Dedicated pastoral wellbeing**: Success begins with wellbeing. Every student has an individual tutor for dedicated one-to-one mentoring conversations throughout the year, ensuring continuous pastoral support alongside their academic development.

We believe that with the right support, tailored attention, and an ambitious environment, every student can excel.
