ASPIRATIONS

5th October 2026

Dear Parent/Carer,

Students have made an excellent start to Year 11. We have been particularly impressed by the mature, positive and determined approach they have demonstrated across all of their lessons. Their commitment to their learning and willingness to rise to the challenges of Year 11 have been encouraging to see.

It was lovely to see so many of you at our RA evening. Your presence and support mean a great deal to us as we work together to ensure the very best outcomes for your child. As discussed during the evening, with just over 15 academy days remaining until the start of the first set of mock exams, our extensive Raising Achievement (RA) sessions begin next week. We will be offering additional subject sessions once per fortnight from 3:00 pm to 4:00 pm. These RA sessions are open to all students and will take place in designated subject areas. The first session will begin on Tuesday 13th October (Week B) with Art, Photography, or Product Design.

The table below outlines our extensive RA schedule:

Week A Tuesday	English
Week A Wednesday	Science
Week A Thursday	Geography History
Week A Friday	Music Drama (Practical) Dance (Practical)
Week B Tuesday	Art Photography Product Design

Parent friendly school
MUSIC MARK PROUD TO BE A MUSIC MARK SCHOOL 2024 - 2025
A Level - Platinum Award Alps Top 10%

Week B Wednesday	Spanish IT Sport Enterprise Hospitality & Catering Dance (Theory)
Week B Thursday	Maths
Week B Friday	Music Drama (Theory)

RA sessions have been hugely popular in previous years, with many students telling us that these sessions played an important part in their success. They provide students with valuable opportunities to revisit key content, ask questions, clarify their understanding and receive additional support from their teachers.

We would strongly encourage you to support your child in attending as many relevant subject sessions as possible. At this crucial stage of Year 11, making the most of these additional opportunities can really help to build confidence, strengthen understanding and make a positive difference to their progress.

Your encouragement at home can make a real difference in helping your child develop the commitment and habits they need to make the most of every opportunity available to them.

Yours sincerely,

Mrs M Orchard
Vice Principal
